

“In a mess ... call MCS”

LDH 122 (1-2 rooms) (9.2 litres a day)

The LDH 122 is a very compact, modern style dehumidifier suitable for rooms up to 23 square metres (55 cubic metres) like bath and shower rooms, basements and storage rooms. The quiet operation and easily transportable design of the LDH 122 allows it for use in different rooms. The integrated humidistat allows you to set the desired and fully automatic dehumidification level and drying action. LUBRA - the quality European Brand since 1983.
