

“In a mess ... call MCS”

MC 735 (5 Bedroom home) (35 litres a day)

Our large capacity dehumidifier suitable for large 4-5 bedroom homes or large office/ retail/commercial area. There are very few 35 litre domestic dehumidifiers on the market. Its compactness, easy maneuverability and modern design will look equally at home in your living room or business premises. Larger, heavier, slightly more expensive to run, the MC 735 is a clear winner when you have a need for powerful, economical extraction.
